

MIDLAND Fall Newsletter

The 2016-17 hockey season has started, and MMHA would like to welcome all of our new hockey families and players to the Organization. This year we have 19 teams participating, with players ranging from 4 years old to 17 years of age - learning skills, playing games, and growing life long relationships through the game of hockey. Since August, we have had Rep Tryouts, LL evaluations, a Body Checking Clinic, 5 weeks of Goalie Clinics, and many of our volunteers have been to trainer and coaching clinics.

Many thanks go out to the coaches, volunteers, and staff at the North Simcoe Rec Centre for all of their hard work and patience to begin the first couple months of the season. Also to all the parents, grandparents and family members for bringing the players to the rink, and showing your support towards MMHA.

Thank you also to all the players for their dedication and commitment to their teams, working hard to learn new skills,

and illustrating good sportsmanship and respect towards other teams, referees, your coaches and your teammates as you grow new friendships. It was very rewarding to see players volunteer their time to assist with the goalie clinic and give back to their community.

A shout out to all of our sponsors for their continued support in assisting with hockey in the Town of Midland. A list of our sponsors can be found on the MMHA website.

Our website is also a great place to keep track of other MMHA teams, view your team's schedule and keep up to date with the organization's events.

Once again this season, the organization will be undertaking some fundraising. Tag Days for the Tyke to Atom Division take place on November 25 & 26.

The Barrie Colts Night is on January 5, 2017 this year against the Oshawa Generals. Tickets can be purchased through your team manager for \$20 each. **The deadline to purchase the tickets is on November 23.**

As the season continues into the winter months, please remember the enjoyment of the game, the friendships built between the players, and demonstrating fair play and sportsmanship on and off the ice as we travel to the rink.

Wishing you and your families all the best as we enter into the holiday season.
