This letter serves to formally notify you of an application submitted by _____ to volunteer with the Midland Minor Hockey Association (MMHA) during the 2023-2024 Hockey Season. It is imperative to emphasize that this volunteer position is non-compensatory in nature. Within the scope of their responsibilities, the prospective volunteer could be engaged in various activities and administrative tasks for MMHA, resulting in direct interactions with both vulnerable adults and children. This includes the potential for engagement with vulnerable children and youth, whether on or off the ice during games or practice sessions.

Furthermore, it should be noted that there exists the possibility of volunteers being present in situations where vulnerable children and youth are changing in and out of their equipment within an enclosed dressing room area. In certain scenarios, volunteers may be required to provide one-on-one assistance to vulnerable children and youth in the event of an injury occurring during a game or practice, and a player necessitating assistance within the dressing room.

Ensuring the safety and well-being of all participants, including vulnerable individuals, is a top priority for MMHA. Therefore, MMHA requests that the OPP conduct a search for the vulnerable screening and include a search of the Pardoned Sex Offender database for the above person.

On behalf of the Midland Minor Hockey Association, should you have any questions, please feel free to contact myself at 705-529-3970.

Sincerely,

Colleen Baker
